

STUDENT RESOURCE BOOK (2016-17)

Part-I

Balwant Sheth School of Architecture

Message from Vice Chancellor

Congratulations!

You are one of the privileged student, as you now join NMIMS. You joined the University which has been the education and training ground of some of the most distinguished and outstanding professionals, academic leaders and CEOs. You are also privileged, as you will have an outstanding learning environment built assiduously over the years by the faculty and staff. I am sure, you will have an experience which will influence your life.

As a University, we value the intellect you bring along to the program. I am sure you will play an important role in generating new ideas that will transform human lives and the society.

Over the years, NMIMS has grown to being a multi-faculty and multi-campus university. This today has enabled university to innovate and encourage the growth of holistic education at the undergraduate level. It has also encouraged the University to offer interdisciplinary courses at the Master's level. The University is committed to building more flexible structures in Academic Programs, delivery models and assessment technology. We are also committed to engage with you in multiple ways, using classroom and non-classroom activities and technology.

The legacy of this University is built on four pillars, namely **Innovation, Market Responsiveness, Discovery and Employability**. Also ethos of 'giving' combined with 'integrity' is engrained in NMIMS. Hence, one of the key character of NMIMS graduate is social sensitivity.

The faculty at the schools represents an eclectic mix of Industry and Academic experience in National & International environment. They are known in their respective fields for knowledge, industry interaction, research and consultancy work. They are carefully chosen and complement each other as a team. Proactive measures have enhanced Schools partnership with industry through Research, Consultancy, Management Development and other extension programs including student projects. Social Entrepreneurship Cell epitomizes NMIMS belief in developing socially responsible citizens.

We have a supportive administrative system, which cares for the students and proactively addresses your requirements. Should you have any concern, I encourage you to meet your Dean / Director and Administration head first. In case it still does not get resolved, get in touch with Deputy Registrar (Academics), Ms. Varuna Saxena at University Academic office VarunaS@nmims.edu

The student resource book is to guide you on rules and regulations of University and will help you to navigate your journey here at NMIMS. During your stay at NMIMS, we would like to ensure clarity and transparency in our communication with you. The Student Resource Book has been divided into three parts. Part I comprises University information & rules and regulations that you would need to know, Part II has school specific details for your effective and smooth interaction with the school and Part III has annexures. Also listed are facilities provided in the institution.

Please do spend some time and go through this information carefully so that you do not miss out any opportunity NMIMS may have to offer you. There is a Student Undertaking on the last page for your signature and to be handed over to your course coordinator by the last date.

We would also like to have your support to maintain the University image and uphold its values. We value your feedback. Hence whenever you wish to give one, do so to the appropriate authority including me in my capacity as Vice Chancellor at vc@nmims.edu

Dr. Rajan Saxena

Student Guidelines
(With effect from June 2016)

1.0 About these guidelines:

- 1.1 These guidelines provide boundaries to the daily functioning of the NMIMS and enable effective delivery of infrastructure and academic services to the students.
- 1.2 This compilation of guidelines comes into effect from June 2016 onwards and supersedes all other guidelines in respect of matters therein.
- 1.3 These guidelines are applicable for all **On** campus schools under NMIMS deemed –to-be University.
- 1.4 This document of the NMIMS is the last word on interpretation of any student guideline, rule or regulation. While efforts are made to ensure uniformity between these guidelines and the Rules & Regulations of NMIMS, in the event of any dispute, the Students Resource Book will prevail.
- 1.5 The management has the right to change the guidelines to meet the institutional objectives and the decision of the management will be binding on the students.
- 1.6 NMIMS has the right to make any changes as it may deem fit in terms of the program content, name of the Degree / Diploma, duration, method of delivery, faculty, refund policy, evaluation norms, standard of passing, Guidelines, etc. In case of any dispute or differences about the program, the decision of the Vice-Chancellor of SVKM'S NMIMS will be final and binding on all the participants.
- 1.7 All disputes are subject to Mumbai jurisdiction only.

2.0 General guidelines:

Code of Conduct

- 2.1 Cleanliness of the premises must be maintained by everyone in the NMIMS at all points of time.
- 2.2 There is acute shortage of parking space and the students are requested to park their vehicles outside the premises.
- 2.3 Any problem with regard to administrative facility, faculty, and classrooms etc, must be addressed through the class representative who will take it up with the course coordinator. In the absence of a satisfactory response, the student may approach the Assistant Registrar /Deputy Registrar/ Dean/Directors of the school/ Registrar, NMIMS.
- 2.4 In case of Lecture Cancellation, the course coordinator will inform said changes to class representative/ respective students through the Blackboard / email /Notice Board. Class representatives will not arrange any extra lectures, guest lectures, and lecture cancellations directly with the faculty.
- 2.5 Use of cell phones on campus is **not** permitted. Any student found using the cell phone on campus will be penalized as per the regulations in force from time to time.
- 2.6 Most classrooms are fitted with an LCD projector for the utility of the faculty and the student. In case a student requires an LCD for his/her presentations, he/she must make a prior booking through course coordinator. LCD's are allotted on first come first serve basis.
- 2.7 Mode of Communication to students is via Blackboard / email /Notice Board. Students are advised to check the Blackboard / email /Notice Board at least once a day, and not rely on rumour or hearsay about any matter.
- 2.8 All students are provided with an Identity Card, which they are required, to wear **mandatorily**. Entry is strictly through Identity Card and will be monitored by the NMIMS authorities. Penalty will be levied / action will be taken for non-compliance. If the student misplaces the original I-Card, duplicate card be issued from school by paying the penalty.
- 2.9 Students are requested to keep safety procedures in mind at all times. Fire extinguishers are placed in strategic areas in order to ensure the safety and welfare of everyone in our NMIMS. Tampering with fire extinguishers or any part of the fire alarm system is a serious offence.
- 2.10 Any person resorting to physical fights will amount to ragging and appropriate action will be taken accordingly.
- 2.11 If any student during the tenure of his studentship has police case on his/ her name is liable for appropriate action against him/ her.

2.12 Discipline Norms and Penalty

- 2.12.1 A disciplinary committee constituted in each school will look in to all cases of indiscipline related to students. The committee comprises of the Chairperson / Head of the Department, one faculty member, one staff member and one student. The committee will hear each case and recommend action to the Dean and to the University. On approval by the Vice Chancellor appropriate action will be initiated by the school. **For names of committee members at the school level, kindly refer part II of SRB**
- 2.12.2 Woman Grievance Redressal committee constituted in each school comprises of the Chairperson / Head of the department, one lady member (from faculty or staff), and two more members of the school. The committee will address all related issues and recommend action to the Dean and the University. On approval by the Vice Chancellor appropriate action will be initiated by the school. **For names of committee members at the school level, kindly refer part II of SRB.**

- 2.12.3 Ours is a **non-smoking** campus (School & Hostel). Possession and Consumption of alcoholic beverages / toxic materials and your presence on the campus under the influence of alcohol/ toxic material/ addictive material is a serious offence. Defaulters will be punished depending on the Act. Any student found consuming or in possession of any objectionable material will be rusticated from the hostel, school and the campus. Further, after enquiry, the student's name will be struck off from the roll of the university. The maximum punishment can be rustication from school.
- 2.12.4 Impersonation will also lead to rustication and subsequent deletion of the student's name from the roll of the University after enquiry.
- 2.12.5 Students indulging in Sexual Harassment will also be liable to disciplinary action as per University norms.
- 2.12.6 In all matters of indiscipline and indecent behaviour, Chancellor of the University will be the appellate authority. Ombudsman is appointed by the University who would look into such cases referred by Chancellor and their decision is final and binding. (Violations if any on the part of the students will be dealt with as per the existing rules, regulations and provisions. Depending on gravity of Act, the student can be rusticated from the school. NMIMS will not be held responsible for any actions which will be initiated by the regulatory authority like police, corporation etc.)

2.13 **Dress Code:**

NMIMS is a place where, we have interactions with many corporate and international visitors. For this purpose, it becomes essential to adhere to some broad guidelines for dress and appearance.

- 2.13.1 Students are required to wear smart casuals for classroom purposes (Half pants, short skirts, Bathroom slippers are not allowed).
- 2.13.2 For all functions of the School, including seminars and conferences students are required to dress in Institute blazer, Tie/ Cravat, Lapel Pin.

2.14 **Punctuality**

- 2.14.1 Classes are expected to begin on time. Late coming is not permitted. Faculty have the authority not to allow latecomers from entering the classroom.
- 2.14.2 Students are required to be present for all events of school/ NMIMS University, including the Convocation, Sports Day, Republic Day, Independence Day, guest lectures, compulsory workshops, CEO Series, and other events as intimated on the Blackboard /notice board/ email. Record of attendance will be kept for action. The school/NMIMS reserves the right to declare compulsory attendance for any event on or off the campus. Absenteeism on events for which attendance is compulsory, will be taken seriously and will be communicated / displayed on the Blackboard /notice board/ email from time to time and / or remark on the transcript or any other decision by the management.
- 2.14.3 Students are required to be in city on all days of the trimester/semester. If they are leaving the city for personal or institutional work, they are required to obtain prior permission from the HOD's/Directors/Deans. This applies even to those students who are representing the NMIMS for social, cultural, and co-curricular events.
- 2.14.4 Students are requested to honour deadlines for submissions of projects, reports, assignments, forms and any other submission to the school or the faculty concerned. Do not approach faculty members and others to change or extend deadlines.

- 2.15 NMIMS shall not tolerate any act of indiscipline, misbehaviour, indulgence into unethical practices including possession and consumption of use of drugs, alcoholic drinks, harassment if any, violence, non-obedience, non-compliance etc. by any student.

3.0 **Attendance and leave guidelines for all students:**

3.1 **General Guidelines**

- 3.1.1 A student is required to monitor his /her own attendance. The attendance reports will be shared on monthly basis and discrepancy (if any) to be informed by the student to the concerned course coordinator within 3 working days from the date when report has been shared. No changes will be permitted once attendance reports are finalized.
- 3.1.2 For ALL absence, prior intimation through prescribed leave application form is to be given to the Course Coordinator. In emergent situations, intimation must be given to Course Coordinator on phone/ fax/ email within 24 hours of the absence. Any leave without written intimation will be treated as unauthorised leave and will be reflected in the records as such.
- 3.1.3 Students must refrain from approaching the visiting and full time faculty members for attendance related issues and exemptions. They must submit an application to the coordinator concerned for necessary approvals.

3.2 Attendance rules:

- 3.2.1 100% attendance in classes for each subject is desirable. However for medical reasons/ personal reasons/ contest/ placement/ institutional work/ other activities etc. absence up to 20% may be allowed.

Below 80% (Not eligible for exemption)	Have to take re-admission in the same Semester same class in the subsequent academic year.

4.0 Academic Guidelines

4.1 Credit Structure

Credit structure is defined in terms of contact hours assigned for various academic components of a programme. This includes class room lectures, tutorials, practical sessions, projects, seminars, lab work, group work and any other academic activity for which contact hours are assigned in the curriculum. The details are as follows:

4.1.1 **Semester Pattern:** For Semester pattern programmes the credit details are as follows :

Details	Credit	Equivalence in hrs per week	Total Hours in a 15 weeks of Semester
Class room teaching	1 credit	1 hour	15 hrs
Lab/Tutorial/group/presentation work	1 credit	2 hours	30 hrs
Seminar work subject to Seminar is scheduled throughout the semester	1 credit	2 hours	30 hrs
Project work& Dissertation	1 credit	2 hours	30 hrs
Internship	10 credits	-	400 hrs (for 10 weeks)

4.2 The broad components of evaluation for any course/subject may be as follows. The total points for each course with maximum that can be assigned will be as per specific requirements of school.

- 4.2.1 Class-participation/ Individual presentation in class
- 4.2.2 Quizzes/ Class test/ Surprise test/ Assignments (announced/unannounced)
- 4.2.3 Individual assignment/ Group assignments/ presentations/ Decision sheets
- 4.2.4 Term papers/Decision sheets/ project reports
- 4.2.5 Research Paper Presentations /Viva
- 4.2.6 Tutorials
- 4.2.7 Sessional / Mid-term examination
- 4.2.8 End-term examination
- 4.2.9 Any other school specific component

4.3 It is advisable for every course to have at least 3-4 evaluation components.

- 4.4 End-term examination is a compulsory component. The mode of the Term End Examination will be dependable on course learning objective.
- 4.5 Mid-term examinations are compulsory for compulsory courses in full time programs. However, it is optional to have Mid-Term Examinations for Half credit/ Electives / Part Time and Weekend programs. Prior approval from Dean of respective school is required for absence from Mid-term/End-term examinations. Absence from Term end examination / re-examination for medical or any other reason shall be treated as failure.
- 4.6 Duration of examination
- 4.6.1 Minimum duration of Mid –Term Examinations : 1 hr
- 4.6.2 Minimum duration of End-Term Examinations : 2 hrs
- 4.6.3 Examination duration can also be more than the above specified time as defined by respective schools. (refer Part II of SRB)
- 4.7 For evaluation purpose total weightage points for each course will be considered instead of using marks. These weightage points would be as follows:
- 4.7.1 Full Credit course.: 100 points
- 4.7.2 Half-credit course: 50 points
- Deviation, if any, from above mentioned evaluation schemes will be communicated separately.
- 4.8 The internal evaluation marks once shared and finalized cannot be changed subsequently.
- 4.9 For all the programs, the weightage for each component will be specified by the Faculty and will form an integral part of the course outline (as per specific requirement of school/programme). The Faculty has flexibility to formulate and implement evaluation system with weightage specified in course outline. While approving the courses, the HOD/Area-in-charge and the Dean/Directors/ Associate Dean will ensure that the evaluation components and weightage points assigned to each component are fair.
- 4.10 For grading purpose, the weightage mentioned by the faculty in the course outline will be applied for each component of evaluation irrespective of the marks assigned to the said component for the examination.
- 4.11 The minimum number of students to offer a course/s will be decided by Dean/Director of respective schools on the basis of total number of students registered in that particular course/s.
- 4.12 Project Guidelines:
- 4.12.1 From time to time Faculty may assign projects to students in their course.
- 4.12.2 After Submissions, Faculty will also carry out checks of these reports to ensure integrity using software, which can check documents within the batch, across the batch, across past years, worldwide web, etc. Plagiarism is a serious offence, which is unethical and illegal. If a student is found guilty (intentionally or unintentionally), it will be considered as misconduct in terms of NMIMS policies and will be dealt with as per rules of NMIMS.
- 4.13 **For more details on Academic / Project guidelines, kindly refer Part II for school specific inputs**

5.0 Interdisciplinary Offerings – Guidelines

The interdisciplinary approach is a completely new concept. The interdisciplinary approach of selection of courses across different streams will enable students to get the knowledge of other domain. The guidelines mentioned below are specifically related to courses offered under interdisciplinary offerings.

Home School – The students admitted to this school

Host School – Students studying interdisciplinary courses (e.g. Student of MPSTME (home school) studying in SBM (Host school))

- 5.1 The interdisciplinary offering of courses are applicable for Master's level programme and/or 4th/5th year of programmes with duration of 4 years and above.

6.0 Examination Guidelines:

Any breach of the following requirements relating to examinations and assessments, whether committed intentionally or unintentionally may be regarded as "misconduct", and would be dealt with, under Disciplinary procedure of NMIMS. Severe penalty would be imposed on the students who are found to be involved in the adoption of unfair means in the examinations.

6.1 Discipline in the Examination Hall

- 6.1.1 Students must know their Roll Number and Student No.
- 6.1.2 Students who are eligible to write the term end examination/re-examination should be present in the Examination Hall at least 30 minutes before the scheduled time of the commencement of the examination. All the students, who arrive in the examination hall after the scheduled time of the commencement, will not be permitted to appear for that examination. In exceptional circumstances, the student will necessarily have to get the approval of the Dean of the respective school / person nominated by the Dean in order to appear at the examination. Students who report late of the examination would be permitted to appear at the examination in exceptional circumstances only after they produce a written approval from the Dean of the school or the person nominated by the Dean on application to be made by the student concerned. Such a student who has reported late will not be eligible for benefit of extra time due to late arrival as well as the loss of time in getting approval from the Dean of the school in such a case.
- 6.1.3 Students are not permitted to enter the examination hall more than half an hour after the commencement of the examination. Students are not permitted to leave the examination hall until half an hour after the start of the session or during the last ten minutes of the session.
- 6.1.4 Students, who are not in their seats by the time notified, will not as a rule, be permitted to appear for the examination.
- 6.1.5 Students should ensure that all their bags and other personal belongings are deposited in the designated area usually near the Supervisor's table, at their own risk. NMIMS will not be responsible for the safety and security of the same.
- 6.1.6 A student, who fails to attend an examination at the time and place published in the timetable, will be deemed to have failed in that course. Opportunity for re-examination will be given according to the rules and regulations.
- 6.1.7 Students should occupy their correct seats as per the seating plan displayed and write appropriate details in the space provided for the purpose on the answer-book.
- 6.1.8 Students are required to have their Identity Cards issued by SVKM's NMIMS and they must produce these for verification by the room supervisor during the examination. Students not having the said identity card with them during the examination may be denied permission to appear for the examination.
- 6.1.9 Every student present must sign against his / her Student number on the attendance sheet provided by the Room Supervisor.
- 6.1.10 Students should specifically go through the instructions given on the top of the question paper and on the front page of the answer book. They are of utmost importance.
- 6.1.11 **On the front page of the answer book the students should write only the name of the program, specialization if any, trimester/semester details and course / subject for which examination is being held, number of supplementary sheets attached to the main answer book. Any extra writing on the front page or anywhere in the answer book will be treated as act of unfair means and will be processed as per rules.**
- 6.1.12 **QUERY REGARDING QUESTIONS IN THE EXAMINATION QUESTION PAPER:** If a student has any query as regards contents of the question paper, he should bring the same to the notice of the examination hall supervisor without disturbing others in the examination hall.
- 6.1.13 Students are forbidden to (i) bring any books, notes, scribbling papers, pagers, mobile phones, laptop or any other similar devices/things unless specifically permitted. Any such material found in possession of the student will be confiscated (ii) smoke in the examination hall, (iii) bring eatables/ drinks in the examination hall (iv) speak or communicate in any manner to any other student, while the examination is in progress, and

(v) take with them any answer-book, written or blank, while leaving the examination hall. Such acts amount to adoption of unfair means by the student/s concerned and strict action will be taken against them. The supervisors/ authorized persons are authorized to frisk the students.

- 6.1.14 Any method to bribe the examiner/s by attaching currency notes or letters or making an appeal inside the answer book or by any other means of communication is strictly prohibited and will result in serious action being taken by the University.
- 6.1.15 **The answer books of the term-end examinations are bar coded and therefore, students should not write his/her name, Roll No., Student No. etc. anywhere in the answer-book and / or reveal his / her identity in any form in the answers written by him / her or anywhere in the answer book. Writing these details or putting signature amounts to revelation of identity. Use of religious invocation or any writing that is not relevant to the answers anywhere in the answer-books will be treated as attempt to reveal identity, and will be treated as an act of adoption of unfair means.**
- 6.1.16 While underlining of answers for focusing attention is permitted, use of varied inks, except for illustrations and figures must be avoided. DO NOT use any symbol like encircling the question or using colour arrows for 'P.T.O'. These will all be considered as attempts to readily identify the specific answer-book.
- 6.1.17 Students should neither tear any sheet/s from the answer-book provided nor shall attach unauthorized additional sheets to the same. All answer-books / supplementary sheets whether written or blank should be returned to the room supervisor. - 6.6.14.1 The marks obtained after revaluation shall be accepted by the University, if the marks assigned to the answer book as a result of revaluation, increase or decrease by ten percent (10%) or more than the marks originally obtained by the candidate in the paper without any grace marks (wherever applicable), and in such cases the marks originally obtained by the candidate in the paper shall be treated as null and void and the marks obtained by the candidate after revaluation shall be accepted

as the marks obtained in that paper. Fractional marks if any shall be rounded off for the purpose of computing the ten percent (10%) difference in marks.

Notwithstanding what is stated above, the marks obtained after revaluation shall be accepted by the University, if the candidate gets benefit of passing the subject/examination or change of class or grade in that paper or in the overall result at the said examination with or without grace marks under the provisions of relevant rule.

- 6.6.14.2 Notwithstanding what is contained in (5.6.14.1) above, where the difference between the marks originally obtained by the candidate in the answer book with corrections, if any, made during the process of revaluation without any grace marks (wherever applicable) and the marks obtained after revaluation will be accepted upto and including twenty percent (20%) of the maximum marks assigned to that paper (fractional marks if any shall be rounded off for the purpose of computing 20%). If the difference between the marks originally obtained by the candidate in the paper, if any, made during the process of revaluation without any grace marks, and marks obtained after revaluation increase or decrease by more than twenty percent (20%) of the maximum marks assigned to that paper, a second revaluation of the said answer books shall be done by a third examiner from the panel of examiners for the said subject. In such an event, the average marks of the first and second revaluations shall be accepted by the University as the final marks for the said subject and communicated to the candidate.
- 6.6.14.3 An answer book shall be sent for second revaluation to another senior examiner appointed by the Controller of Examinations in consultation with the Dean of the School or Chairperson of the Board of Studies of the University, if in the first revaluation, marks of a candidate are decreased below the passing marks or if a candidate obtains 'F' grade after the first revaluation or the marks required for securing a class from originally secured marks required for passing or for the particular class and the marks assigned by the third examiner in the second revaluation be treated as the final marks in the said subject.
- 6.6.14.4 The revised marks obtained by a candidate after revaluation, as accepted by the University shall be taken into account for the purpose of amendment of his results only and the said result shall be communicated to the student/s.
- 6.6.15 The marks awarded by such external examiner/s in revaluation shall be final and binding on the student applicant and the original examiner.
- 6.6.16 The change of marks/grades, if any, shall be communicated to the student applicant and a revised 'Grade Sheet' shall be issued to him/ her only on surrendering the original grade sheet to the Examination Office.
- 6.6.17 The whole process of redressal of grievances shall be completed within a period of 15 working days from the date of receipt of application for redressal of grievances.
- 6.6.18 In any case, the photo copies of re-evaluated answer-books shall not be provided to the student/s.

8.0 Placement Guidelines:

NMIMS is a premier University of the country and the Business School is in existence for over three decades. Our alumni occupy senior positions in leading companies across sectors. Over the years NMIMS has earned recognition from industry & professional associations, corporates, peer group institutions and accreditation agencies. All these laurels and recognitions would have been incomplete without the support of the corporate world.

It is also a great place to recruit potential young managers and business leaders. Leading companies across sectors consider our students for recruitments/ internships.

NMIMS has a cordial relationship with the corporate world and many companies have supported us even during tough times. We would like to continue this mutually symbiotic relationship. Hence, it is expected that students understand this sentiment and behave responsibly at all times. Any untoward incident will jeopardize this relationship and have serious repercussions for placements and for the future.

NMIMS as a premier University of higher learning and the corporate world expects students to display high standards of knowledge, capability and excellence. Recruiters also look for serious candidates who are clear about their long term plans, the sector they want to be and profile they want to undertake.

Placement assistance is offered to students of various programs across Schools. It is the prerogative of the Schools to decide, which of the programs this service should be offered.

The Placement Office of School facilitates the process of placements – internship & recruitment by creating an interface between recruiters and students. Efforts are made to market the programs with their merits with an endeavour to get companies to offer internships/recruit students. The selection process specified by the company is followed. The PlaceCom - Placement Committee of students are actively involved in the placement activities – contacting/visiting companies located in metros & major cities for placement presentations and also coordinate various activities during the placement processes.

The Placement Office devises placement guidelines that are in the larger interest of the School and students, in consultation with students and faculty.

Students are expected to maintain decorum and abide by the guidelines during placement processes. In the event of non-conformance to the placement guidelines, the School reserves the right to initiate corrective action.

The Placement process typically involves –

- Batch Preparation
- Pre Placement Talks
- Internships/projects
- Final Placements

8.1 Batch Preparation:

- 8.1.1 The Comprehensive Batch Preparation Program is to enhance the suitability of candidates.
- 8.1.1.1 Interactive sessions with alumni/industry experts in various profiles that help students to gain clarity on role/fit, understanding expectations of the company, future prospects - career evolution, right approach for cracking interviews, listen to first-hand experience & get a feel of life in a particular profile etc.
- 8.1.1.2 Interaction with seniors who have undergone internships in companies.
- 8.1.1.3 Assigning seniors or alumni as mentors to guide students.
- 8.1.1.4 Mock interviews with alumni/corporates to get a direct feedback from people in relevant industries.
- 8.1.1.5 Guest talks and workshops on various topics from corporates.
- 8.1.1.6 Resume building as per guidelines
- 8.1.1.7 Soft skills training etc.
- 8.1.2 Prior to the commencement of the selection process it is expected that students should be having a fair idea about their interest, sector, and specialisation or at least have some long term vision of where they want to be and should direct their efforts accordingly. A bit of clarity will help students land a good internship/job.
- 8.1.3 Hence students should do a thorough research about the company, the business, the sector, other players in the sector, the financials, etc. and be prepared with a background and fact file prior to the process. Also some additional information – the number of interns/recruits in the past, whether the company has a PPO policy, the roles offered, the experience of seniors who interned with the company etc. will be of help.
- 8.1.4 The Placement Office also involves companies in a number of Campus Engagement activities – contests, projects, workshops, seminars, guest talks etc. that would benefit a larger number of students and also help in promoting the excellent quality of the batch.
- 8.1.5 Based on the guidelines, students will have to prepare their resume that would encapsulate info about academics, work experience, internship, co-curricular activities, extracurricular activities, projects, awards, achievements, hobbies etc.

8.2 Pre Placement Talk – PPT

PPT's are a medium wherein the company officials disseminate information regarding the company, the profile, the compensation etc. and clarify the queries of students. The company officials invest time and effort to disseminate info and the interactive session will make them feel visiting our campus was worth it. Hence students are requested to participate and ask relevant questions.

8.3 Internships/Projects

- 8.3.1 The Placement Office makes all efforts to reach out for internships across varied sectors, companies and profiles. Based on ones interests and capabilities one should seek internships. Choosing the correct company for internships and performing up to the mark is of utmost importance.
- 8.3.2 The Internships are not only a window to the corporate world but also a relationship building tool for NMIMS. It allows the companies to have a look at the talent at NMIMS, thereby strengthening Final Placements.
- 8.3.3 Internships are an integral part of the curriculum for securing the degree. It is a great learning platform for our students and goes a long way in shaping the learning obtained in the class room. This experience is of immense use to students to enable them to acclimatize themselves to the intricacies of the corporate world.

School	Programs	Remarks
Architecture	B. Arch	100 day internship during the last semester of the program

- 8.3.4 The project is expected to build on the theoretical learning with practical experience and help students to identify the gaps in their learning which they can attempt to fill in. They could also discover areas of interest and future career options.
- 8.3.5 Interactions during the internships both with other interns as well as employees help students to understand the expectations/needs of the organisation, the sector in general, to identify the gaps in their learning and in orienting oneself towards the sector and developing the required skill sets to emerge as the most suitable candidate.
- 8.3.6 Internships also hold a special significance as it is an apt mechanism for companies to spot bright talent early. Many companies have structured internship process which is used as a 'testing ground' to gain a direct understanding of the skill and ability of students leading to declaration of PPO's/PPI's. NMIMS too encourages candidates to work towards such offers that are based on internship performance.
- 8.3.7 Pre Placement Offer (PPO) is an Offer by the company to the intern acknowledging the excellent work done during the internship. Pre Placement Interview (PPI) is an opportunity by the company for the intern to be directly selected for the interview for final placements. Thus, the students should be careful in applying to the companies of their choice and should put in all efforts to convert the internship into an Offer. Thus, the seriousness of this cannot be overstated.
- 8.3.8 While feedback from the company is sought, the internship is also evaluated by School that could involve faculty guide monitoring the performance; periodic report submissions, evaluations, Viva Voce etc.

8.4 Final Placements

- 8.4.1 Leading companies across sectors aspire to recruit students of NMIMS. Each company has its own set of characteristics or qualities that they look for in a candidate. Hence, the company devises the eligibility criteria and selection process accordingly.
- 8.4.2 The process of selection starts with inviting applications based on the eligibility, profile, project, stipend/compensation details shared by the company. The applications of applicants are then sent to companies. Students are required to check their emails/blackboard regularly for information updates.
- 8.4.3 Every effort will be made to facilitate the placement process. However it is the effort of the student that gets him/her selected for the job. Not getting selected for internships or during final placements in the first few companies should not lead to panic. Students are advised not to switch profiles in anxiety or haste.
- 8.4.4 Companies could have one or multiple rounds for selection – case analysis, group discussion, group exercises, interviews etc. Reasons like location, family issues etc. should not be constraints to students. They are expected to be mobile and have the capability to adjust and adapt and respond to emergent situations successfully.
- 8.4.5 Students who wish to drop out of the placement process are expected to formally notify the Placement Office vide the 'Opted Out Form' mentioning the reason, which could be higher studies, entrepreneurship, family business, seeking placements on their own giving with the names of such companies and details. The reason being, to iron out any hitches that may crop up later as the Placement Office approaches many companies and would like to continue the cordial relationship with them.
- 8.4.6 Each of the Schools will be sharing to the batch, guidelines related to Resume, PPT, Internships, PPO's/PPI's, Final Placements, etc. and it is expected that students follow the same. The School reserves the right to change, modify the guidelines in the best interest of the batch. Students are free to approach the Placement Office for any queries or guidance.

9.0 Guidelines for the Use of Computing Facilities:

- 9.1 NMIMS invests significant resources in the provision of computing resources for the students. In order to ensure maximum availability, computing resources must be used in a responsible way. The students are responsible for ensuring that these resources are used in an appropriate manner. The list of websites which are blocked for use at NMIMS and at the Hostels is given in the annexure.
- 9.2 You are strongly advised to read these guidelines & regulations carefully. Failure to comply will result in withdrawal of your rights to use these facilities and may lead to further disciplinary action. Please also note that the regulations and guidelines are subject to change without any prior notice. The latest version of the document will be available with the Computer Centre.
- 9.3 The internet access to students will be as per the NMIMS policy. Any change request has to be routed through the Registrar in writing.
- 9.4 Food and/or beverages (except drinking water), smoking will not be permitted in the Computer Centre.
- 9.5 **Provision of Computing Resources:**
 - 9.5.1 The students of NMIMS are provided with the computing facilities to support their learning and research activities. Their use for any other purpose that interferes with these primary aims, or that otherwise, acts

- against the interests of the NMIMS is prohibited. In the event of non-approved usage of the computing facilities, NMIMS reserves the right to withdraw access to computing facilities at any time.
- 9.5.2 Use of NMIMS computing facilities for students' commercial gain is prohibited.
- 9.5.3 Computer Centre facility will be provided on priority to the students of the concerned programmes, where using Laptop is not compulsory.
- 9.5.4 Students are not allowed to connect personal pen drives/ Laptops to the systems installed in the classrooms.

- 9.6.27 You must immediately vacate any IT room when asked to do so by any person who has legitimately booked that room and must not leave processes running or files printing or otherwise interfere with the work of that person. Failure to cooperate gives that person the right to switch off the workstation that you are using.
- 9.6.28 Important: In the event that the guidelines are not followed and there is a consequent damage to any computing facility, NMIMS reserves the right to charge students for the cost of rectification of such damage and/or take further disciplinary action.

10.0 Feedback Mechanism:

- 10.1 The NMIMS has a well-established online feedback mechanism (through Blackboard) for communication of your perceptions. The components of this feedback mechanism are:
 - 10.1.1 Oral Feedback at the end of the third week of every Semester. Dean will meet students personally.
 - 10.1.2 Online Feedback is taken using a questionnaire in the last session of every course in each trimester/Semester. This feedback is compiled and statistics are placed before each faculty member by the end of the Semester.
- 10.2 All students should get involved in this mechanism seriously as it truly helps the NMIMS improve the quality of services and teaching provided.
- 10.3 These are open ended questions in which student can reflect learning and teaching aspects of the course.
- 10.4 While sharing the feedback to the faculty members, student's identity is kept confidential.

11.0 Mentoring Programme / 'Psychologist and a Counsellor':

- 11.1 **Mentoring Programme:**
Students (as applicable school wise) have been assigned faculty mentors whose role is to help assimilate the NMIMS culture, facilitate intelligent choice making regarding selection of courses, help in identification of resources needed by all students. Do meet your faculty mentor regularly as per their convenience and availability.
- 11.2 **Psychologist and a Counsellor:**
"Have you had any incidents where you reacted very harshly and then later realised that reacting to the situation was not really needed and in the process you damaged the understanding you had with your friends and family? But you just do not know what went wrong then? Do not understand what triggered?"- Example case

As normal social human beings at any given time in life we could go through difficult times and are confused as well as not able to share our difficulties with others fearing their judging. At such times we recommend, personal Counselling.

Personal counselling is very important at every step in life even at the corporate levels. There could be a situation in our lives when we are not able to cope with, example of a simple case given above. Such situations affect our subconscious mind deeply which interferes our present conscious life and could not allow us to lead a healthy life. Consciously, we do not realise the implications of our behaviour on others but it eventually could affect our events and relations in daily life at home, in class, or at work. When the past emotional situations not dealt with therapeutically, we could develop unhealthy negative thoughts and feelings which we need to be aware of like, “I have no one to whom I can share my personal issues, am I happy? Am I feeling lonely?, having sleepless nights?”, such thoughts could again lead to further anxiety and can release harmful hormones; which could affect our performance, decision making, logical thinking, studies, relationships, career, and gradually affect our physiological health like hypertension, respiratory ailments, gastrointestinal disturbances, migraine and tension headaches, pelvic pain, impotence, frigidity, dermatitis, and ulcers

A counsellor is a non-judgemental friend who understands, ensures privacy and confidentiality of the client and counsels you by giving choices so that you make the right decision. Counselling is based on realistic, structured and research based study. NMIMS has a full time ‘Psychologist and a counsellor’ available on the 8th floor, Cabin:-West-855, NMIMS University, at the Mumbai campus for all the students.

12.0 Guidelines for Admission Cancellation / Payment of fees / Re-admission / Academic Break / Submission of Documents / Admission Deferment

12.1 Admission Cancellation procedure :

For cancellation of admission, the student needs to submit the application for cancellation of his seat alongwith original fee receipt to the admission department (if cancellation is before commencement of the programme). If the cancellation is after commencement of the programme, the said application to be submitted to the respective Dean for further process.

Refund Rules if Commencement of Programme & Closure of Admission date is same:

1. Till the date of commencement of the Program.	Rs.1000/- will be deducted as administrative charges
2. Cancellation after the official closure of admission.	Cancellation made after the official closure of admission fees will NOT be refunded.

Refund Rules if Commencement of Programme & Closure of Admission date is different:

1. Till the date of commencement of the Program.	Rs.1000/- will be deducted as administrative charges
2. After the commencement of Program but before the close of the admission	Rs.1000 + Proportionate fees i.e. one tenth of the fees for every completed month or part thereof, if the seat vacated by the candidate is filled. If the seat remains vacant/unfilled, fees will NOT be refunded.
3. Cancellation after the official closure of admission.	Cancellation made after the official closure of admission, fees will NOT be refunded.

12.2 Payment of fees:

- 12.2.1 The promoted students for the subsequent years are required to pay the fees as per the email received from Accounts department. Late fee will be levied if the fee is not paid within the due date.
- 12.2.2 Non-payment of fees within the stipulated time including the late fee period will attract cancellation of the studentship from that programme.

- 12.2.3 **Payment of Fees for the academic break:** If the student has informed the Dean regarding academic break before the commencement of the relevant year and not paid the total fee for that year, then if his academic break is granted, he can pay the total fee (100%) prevalent at that time when he seeks re-admission.
- 12.2.4 If a student wants to take academic break after the commencement of the academic year, but he has not attended the classes and if the fee is not paid, then while seeking re-admission he has to pay the total fee (100%) plus 25% of the total fee as re-admission fee to continue his studentship.
- 12.2.5 If the student has paid the total fee for the entire year and then sought the academic break after commencement of that academic year in the middle of semester / trimester again, then he has to pay 25% of the total fee prevalent at that time, towards re-admission in subsequent year.

Academic break	Fees to be paid at the time of admission after the academic break
<ul style="list-style-type: none"> Informed before the commencement of the academic year. 	100% total fee prevalent.
<ul style="list-style-type: none"> Informed after commencement, not attended classes and fees not paid. 	100% total fee + 25% readmission (prevalent).
<ul style="list-style-type: none"> Informed during the semester / trimester fees not paid for current year. 	100% total fee + 25% readmission (prevalent).
<ul style="list-style-type: none"> Informed during the academic year and fees paid for that year. 	25% of total fees as readmission fee prevalent that year.

12.3 Re-admission rules:

A student can seek re-admission in the next academic year, in case he / she fails to fulfill the criteria mentioned under passing standards in SRB. For this purpose, he / she has to pay 25% of the total fee prevalent at that time for that programme.

Student can take re-admission in the said year of the programme only once. He/she can take re-admission in different years as long as total period of the programme does not exceed the validity period of that programme. For example, for MBA the validity period is 4 years and for MBA Tech. it is 7 years, so a student can take re-admission maximum two times but in different progressive years. Admission to the subsequent years is subject to maximum duration permissible for completion of the programme (in years). Such admissions will be at the students' own risk of non-completion of the programme during the maximum permissible duration (in years).

Sr no.	Duration of the programme (in years)	Maximum duration permissible for completion the programme (in years)
1	2 years	4 years
2	3 years	5 years
3	4 years	6 years
4	5 years	7 years
5	6 years	8 years

If the student takes re-admission in a particular academic year and is not promoted again, either as per the passing standards of the respective programme or any other reason as per academic rules, then the student will not be given second chance for re-admission. However such a student can re-appear at the subsequent examinations of the said year without keeping the terms (i.e. re-admission) by taking a drop and only appearing for the examinations.

For school specific details programme wise, kindly refer Part II of SRB.

12.4 Academic break :

The following rules are applicable for all the school of NMIMS.

After commencement of any programme, if a student wants to take a break for certain valid reason, then he can do so as per the following norms –

The academic break can be granted to any student by respective Deans of School and the maximum period for an academic break is one year only. (in executive programmes as of now it is upto two years). This will be based Dean getting convinced of the reason for academic break.

12.4.1 **Eligibility:**

Academic break can be granted to any student for any of the following reasons:

- (i) Serious personal medical reasons involving hospitalization, if required and supported by documents.
- (ii) Serious 'family' related issues.
- (iii) Financial constraints.
- (iv) In executive education, 'temporary transfer to other country / city'
- (v) Financial crisis/Maternity/ shift of duties/additional assignments at the work place applicable for executive programme participants only.

The Dean of respective school will approve the academic break and forward the application of the student to admission department for necessary process.

The academic break can be granted to any student at best twice during the programme as long as the total period of academic break is not exceeding one year and not exceeding the validity period of that programme.

12.5 **Submission of certificates / mark sheets:**

A student has to submit all the relevant documents / certificates / marksheets as per the offer letter issued by NMIMS. Non-submission of such mandatory documents after the stipulated time declared by admission department will lead to cancellation of admission of concerned student and the admission fees will NOT be refunded.

If the student has submitted documents and found discrepancy during verification, the admission would be cancelled and fees will be forfeited.

12.6 **Admission Deferment:**

The following rules are applicable to all the Schools of NMIMS.

12.6.1 **Eligibility :**

Only those candidates who have paid the full fee or got an approval for part payment can apply for admission deferment.

The candidate has to submit an application for 'admission deferment' in admission department **before** commencement of that programme stating the reasons for admission deferment. Admission deferment can be approved only for one year.

12.6.2 **Who can apply :**

- Serious medical illness.
- Serious family related reasons.
- Candidate not able to organize funds.
- Candidate's work related commitments, overseas assignments (over 6 months)

The application needs to be submitted to admission department, along with all the supporting documents for 'Admission Deferment' consideration.

An applicant who fails to obtain confirmation from Admission office of his/her deferment of admission will be deemed to have forfeited his/her position and will be deregistered from the course admitted to.

12.6.3 **Process:**

12.6.3.1 Deferred admission may only be granted to admitted first year students who have paid the required non-refundable enrolment deposit.

12.6.3.2 The admission department will scrutinize all the applications and forward it with comments to concerned authorities for approval. The request to defer the offer of admission will be reviewed on case to case basis and will be granted depending on the reason stated along with the supporting documents. NMIMS decision with respect to this will be final and will not be challenged.

12.6.3.3 Offer of admission deferment, if not, taken in the subsequent year will lapse and the fee paid will not be refunded. Further, the applicant therein, if still want to apply to NMIMS, have to undergo the admission process again as fresh applicant.

12.6.3.4 The letter of deferment of admission will be issued by admission department to the applicant.

12.6.3.5 Students who are found to have applied to other colleges and institutes during their time away from

NMIMS will have their admission revoked and fees will not be refunded.

- 12.6.3.6 Financial aid offers cannot be deferred. Students must reapply for financial aid.
- 12.6.3.7 Admitted 'Transfer' students are not eligible for deferred admission.
- 12.6.3.8 Deferrals are not automatic and, if granted, a non-refundable deposit is required to hold a place in the following year's entering class.
- 12.6.3.9 Deferment of admission is not applicable for the first year of the programme.
- 12.6.3.10 Once the programme has commenced, then even though the applicant have not attended the classes, still he/she will not be 'eligible' for 'admission deferment'.

13.0 Meritorious students:

- 13.1 Meritorious students list:
 - 13.1.1 10 % of the batch on the basis of highest CGPA during the entire period of programme will be under meritorious students list and will get a certificate at the time of Convocation.
 - 13.1.2 Students who are participating in Student Exchange Program are also eligible for the Dean's list. Such students will be shortlisted on the basis of the CGPA of all semesters/trimester completed at NMIMS.

20.0 International Student Exchange Program Policy

20.1 Introduction

NMIMS Deemed-to-be-University has developed an extensive International Students Exchange Program in order to provide a cross cultural exposure and a global perspective to the students apart from classroom teaching. The Exchange Program has become increasingly popular with the students and every year students get a chance to spend Semester/Trimesters at a partner Institute. With the dedicated International Linkages department in place, efforts are underway to have larger number of students to avail of this unique opportunity in every school. It is strongly recommended for all students to have international exposure in terms of academics and cultural immersion. However, due to some limitations, the students who do not visit these foreign institutes as part of the exchange program benefit through interaction with the overseas students who visit us.

20.2 PREAMBLE

In a world that is increasingly interdependent, it is imperative for the NMIMS Deemed-to-be-University to have an internationalization agenda. This involves creation of a multi ethnic environment in our programs on our campus. This can happen only when students from different countries and communities join NMIMS programs.

This policy on internalization seeks to clarify the philosophy behind the NMIMS Deemed-to-be-University's Internationalization program and sets out the eligibility of students to apply for an international exchange program. It also sets out the selection criteria and guidelines for assessing applications and the expectations from the students going for the exchange program.

This policy also lays out the facilities for international students in our programs and also the expectations from them. We expect our foreign students to conduct themselves at par with other Indian students.

To aggressively pursue the internalization agenda, NMIMS Schools have signed MOUs with leading Universities and Schools as given below:

A. The University Level:

- Charles Darwin University, Australia
- University of Southampton, United Kingdom
- Latrobe University, Australia
- University of Newcastle, Australia
- Friedrich – Alexander University of Erlangen-Nurnberg, Germany
- University of Jyväskylä, Finland
- University of Chester, United Kingdom
- University of Westminster, United Kingdom
- Ingolstadt University of Applied Sciences, Germany
- CETYS University, Mexico
- The University of Turino, Italy

B. Balwant Sheth School of Architecture (BSSA):

- University of Ferrara, Italy
- University of Nebrija, Spain
- Graduate School of Architecture, Planning and Prevention, Columbia University
- Institute for Advanced Architecture of Catalonia (IAAC), Barcelona, Spain

20.3 Eligibility

Students are selected by respective Deans of Schools on a competitive basis that reflects the academic standing, motivation, seriousness of purpose, communication skills, social maturity and adaptability. International students coming to our campus are recommended by respective partner's university on merit basis and language proficiency in English.

All full time program students are eligible to apply for the exchange program if they have:

- 20.3.1 Completed the eligibility year of program as defined by Dean, Balwant Sheth School of Architecture.
- 20.3.2 Have a minimum CGPA of 2.75 and above.
- 20.3.3 Eligibility of International students coming to our campus recommended by the partner university should satisfy the eligibility criteria as per the memorandum of association signed between the Universities/ Schools.

20.4 Selection Criteria and Conditions

- 20.4.1 As defined by respective Dean, Balwant Sheth School of Architecture.
- 20.4.2 Defined by MoU between Partner University and NMIMS for incoming students

20.5 Cost and Expenses

Costs and expenses for participating in the exchange program are governed by the MOU signed by NMIMS and the host School.

In addition of the above, all students are required to pay for their:

- 20.5.1 Accommodation and daily living expenses including study materials
- 20.5.2 Travel Expenses
- 20.5.3 Passport and visa costs
- 20.5.4 Insurance cover
- 20.5.5 Any other incidental costs

20.6 Application procedure for students and Expectations from students

- 20.6.1 Students have to apply in specified application form (See Annexure “Application Form for NMIMS Students for Applying for Student Exchange Program” in SRB) to their respective Schools. Those selected after required assessment at their School’s end have to fill another detailed form (See Annexure “Application Form – NMIMS Exchange Students”) Incoming students should submit specified application form (APPLICATION FORM – EXCHANGE STUDENTS-Incoming) to respective school 2 months before the semester/trimester start date.
- 20.6.2 The list of courses that a student intends to take up in the partner institute should be clearly mentioned. For those who wish to apply in more than one institute, the lists of the courses in each of these institutes should be mentioned.
- 20.6.3 Upon joining the partner institute the courses the students intends to take up should be finalized and communicated to the NMIMS School authorities (Refer Annexure of SRB)
- 20.6.4 Students need to ensure that they do not get any-F grade in the courses undertaken in the partner institute because many partnering institutes do not conduct re-examination.
- 20.6.5 Other criteria as defined by Deans/Directors of the Schools.

20.7 Code of Conduct

While abroad, the students are subjected to the rules and regulations of the host institution, the laws of the host country and the student code of conduct from NMIMS Deemed-to-be-University. Each student is an ambassador of NMIMS Deemed-to-be-University and should conduct in an appropriate manner at all times that is reflective of the code of conduct required by NMIMS and that of the overseas host institution.

20.8 Enclosures:

- 20.8.1 Undertaking to be given by student of NMIMS Deemed-to-be University’s student going on International Immersion
- 20.8.2 Application Form:
 - a) For Applying for Student Exchange by NMIMS Deemed-to-be-University Students
 - b) For NMIMS Deemed-to-be University’s student (Only for Short listed Students)
 - c) For International Exchange Students on arrival
- 20.8.3 Visa Form for NMIMS and International Students

20.9 Application and Admission procedure for International Students-Incoming from Partner University

- 20.9.1 Students from Partner University need to submit the application in prescribed form (APPLICATION FORM – EXCHANGE STUDENTS-Incoming and Passport copy) duly attested by the partner university officer in charge two months before the arrival to NMIMS
- 20.9.2 Respective school will issue an exchange acceptance letter to the student after scrutinizing the application.
- 20.9.3 On acceptance of students by the school, International Linkages department of University will issue Visa

- invitation letter address to Indian Embassy/consulate in your country.
- 20.9.4 On arrival the respective schools will arrange for living in Mumbai familiarization session with International Linkages department of the University. The Students are requested handover prescribed undertaking form(UNDERTAKING For Foreign National Studying at NMIMS University with a copy passport with Visa page to International Linkages Department for record purpose
- 20.9.5 Respective schools will complete the joining process and issue temporary student Identity card.
- 20.9.6 On Arrival respective schools will guide the students for completing FRRO registration with Ministry of External Affairs Government of India and students may seek support of International Linkages Department, if required.
- 20.9.7 On completion of the course the assessment details will be forwarded to University registrar through International Linkages department for course completion and credit transfer certificate.

Note:

Schools to ensure that copy of Application Form compulsorily reaches Director, International Linkages for records.

21.0 Safety Guide for Students on Floods, Fire and Earthquakes:

Introduction

Mumbai is vulnerable to various natural and manmade disasters such as fire and industrial accidents, floods, chemical (transport and handling), biological, and nuclear hazards, earthquake, cyclones, landslides, bomb blasts, terrorism, riots and tidal surge due to its geographic conditions, industrial growth, increasing population density and squatter settlements have increased Mumbai's vulnerability to disasters.

The safety measures for a few disasters such as 1) Floods, 2) Earthquakes and 3) Fire in Mumbai are highlighted briefly in this document.

21.1 Floods:

Floods in Mumbai are attributable to simultaneous occurrence of rainfall and high tides. If the rainfall is in excess of 200 mm in a day (24 hrs), floods can occur anytime irrespective of tides. However, if there is moderate rainfall but the tide is in excess of 4.50 meters at the same time, the city of Mumbai is likely to get flooded.

Precautions to be taken in case of Floods¹ are given in the Table 1 below.

Floods in Mumbai -Are we prepared this time? (2009). Retrieved April, 2010 from Deloitte Official Website: <http://bcm-india.org/deloitte-mumflood.pdf>

Before Floods	During Floods	After Floods
<ul style="list-style-type: none"> Identify and visit elevated areas in and around the Institute as places of refuge during a flood Be aware of drainage channels, and other low-lying areas known to flood suddenly. Consult and involve local authorities in the institutes Check out for the monsoon alerts for the heavy rains declared by the Municipal Corporation of Greater Mumbai Do not travel long distances on dates indicated as 'Monsoon Alerts'. Contact the Institute if there is any pre planned activity or examination or any other important work on that day and try to adjust it on some other day Keep locally available equipments such as ropes, battery, radio, plastic bottles and cans handy during rainy season. 	<ul style="list-style-type: none"> Evacuate to previously identified elevated areas Don't try to save valuables. Your life is most precious Disconnect electrical appliances. Turn off utilities at the main switches of valves if instructed to do so Don't touch electrical equipment if you are wet or standing in water Do not walk through moving water. Six inches of moving water can make you fall If you have to walk in water, walk where the water is not moving Use a stick to check the firmness of the ground in front of you Avoid floodwaters; water may be contaminated by oil, gasoline, or raw sewage Water may also be electrically charged from underground or downed power lines Listen to the radio for advance 	<ul style="list-style-type: none"> Stay away from downed power lines, and report them to Security Officer Leave the Institute / home only when authorities indicate it is safe Stay out of any building if it is surrounded by floodwaters Use extreme caution when entering buildings; there may be hidden damage, particularly in foundations Floors in the building will be slippery due to water and mud. Walk carefully on the slippery floor. Wear appropriate footwear. Do not use slippers during rainy season Watch out for loose flooring, holes and dislodged nails Clean and disinfect everything that got wet Discard any food items which may have got wet Inform about the damaged drainage and sewage systems in and around

Before Floods	During Floods	After Floods
<p>This can help you to plan your rescue</p> <ul style="list-style-type: none"> • Prepare a food kit including emergency food items such as biscuits, snacks, drinking water and so on 	<p>information and advice. Don't spread rumors</p> <ul style="list-style-type: none"> • Move vehicles to the highest ground nearby • Do not enter floodwaters by foot if you can avoid it • Never wander around a flooded area • Drink clean water 	<p>the building to the authorities as soon as possible. These can be a major health hazard</p> <ul style="list-style-type: none"> • First protect yourself and then help others.

21.2 Earthquake

Mumbai is in the 'Moderate Seismic Zone III which can experience quakes up to 6.5 on the Richter scale.

Seismologists say that the major fault lines in Mumbai run along the Thane creek, Panvel creek and the Amba River, all three intersecting at Uran. A fault line also runs from Malabar Hill to Worli passing through Cumballa Hill.

Precautions to be taken in case of earthquakes are displayed in Table 2 below:

2 City falls in moderate seismic zone. (2010). Retrieved April, 2010 from the Times of India's official Website: <http://timesofindia.indiatimes.com/articleshow/1257119.cms>

Before Earthquake	During Earthquake	After Earthquake
<ul style="list-style-type: none"> • In hostel or at home keep heavy objects on lower shelves so they will not fall on you during an earthquake. • Make sure your water heater and gas cylinder is secured and intact. This will ensure that it will not fall during an earthquake and hurt someone or start a fire. • Keep a torch and a portable transistor radio handy. • Keep the corridors in the hostel/house clear of furniture and other things, making movement easier. 	<p>A) If you are at home or inside a building</p> <ul style="list-style-type: none"> • Do not rush to the doors or exits; never use the lifts; keep well away from windows, mirrors, chimneys and furniture. • Protect yourself by staying under the lintel of an inner door, in the corner of a room, under a table or even under a bed. <p>B) If you are in the street</p> <ul style="list-style-type: none"> • Walk towards an open place in a calm and composed manner. Do not run and do not wander round the streets. • Keep away from buildings, especially old, tall or detached buildings, electricity wires, slopes and walls, which are liable to collapse. <p>C) If you are driving</p> <ul style="list-style-type: none"> • Stop the vehicle away from buildings, walls, slopes, electricity wires and cables, and stay in the vehicle. 	<p>A) If you are at home or inside a building</p> <ul style="list-style-type: none"> • Expect aftershocks. Be prepared. Stay where you are and do not come out immediately. • Keep calm, switch on the radio/TV and obey any instructions you hear on it after you come out • Turn off the water, gas and electricity • Do not smoke and do not light matches or use a cigarette lighter. Do not turn on switches. There may be gas leaks or short-circuits. • If there is a fire, try to put it out. If you cannot, call the fire brigade. • If possible then contact fire brigade immediately. • Immediately clean up any inflammable products that may have spilled (alcohol, paint, etc). • Avoid places where there are loose electric wires and do not touch any metal object in contact with them. • Do not drink water from open containers without having examined it and filtered it through a sieve, a filter or an ordinary clean cloth. • Eat something. You will feel better and more capable of helping others. • If the building is badly damaged, you will have to leave it. Collect water containers, food, and ordinary and special medicines (for persons with heart complaints, diabetes, etc.). • Help people who are injured. Provide them first aid. Do not move seriously injured people unless they are in danger. <p>B) If you are outside</p> <ul style="list-style-type: none"> • If you know that people have been buried, tell the rescue teams. Do not rush and do not worsen the situation of injured persons or your own situation. • Do not re-enter badly damaged buildings and do not go near damaged structures. • Do not walk around the streets to see what has happened. Keep clear of the streets to enable rescue vehicles to pass. • Keep away from beaches and low banks of rivers. Huge waves may sweep in.

21.3 Fire

Greater Mumbai is greatly diversified and practically has every type of fire risk. Precautions to be taken in case of fire are given in the Table 3 below:

Before Fire	During Fire	After Fire
<ul style="list-style-type: none"> Identify the fire hazards and where fires might start, e.g. laboratories, store room, kitchen and other such places) Identify all the exit routes of the Institute. (There are six exit routes in UPG building) Check the adequacy of fire fighting apparatus and its maintenance. 	<ul style="list-style-type: none"> Do not panic. Shout loudly for help Do not run. Do not waste time in collecting valuables. Do not panic. Inform the fire brigade about the fire and alert neighbors. If possible, use fire extinguisher. Do not take shelter in toilet. Shut all the doors behind you while leaving the room to prevent fire from spreading everywhere. Do not use the lift to escape. Use nearest means of escape and the staircase available. Make exit to ground level instead of the terrace. Report about your safe escape and any other information to the University authorities, fire brigade or police present at the site. <p><i>If trapped or stranded:</i></p> <ul style="list-style-type: none"> Stay close to the floor level. Cover the gaps of the door by any piece of cloth available. Do not jump out of the building. Signal or shout for help. Stop, drop and roll on the ground and cover with blanket; pour water on the body <i>Dial 101 or 22620 5301</i> for fire brigade Give the fire officer detailed address, nature of the incident and the telephone number from which you are calling. Preferably, use landline. Keep down the receiver and wait at the same spot. Control Room will call back to verify the call. Wait for the Fire Brigade to arrive and co-operate with the firefighters. 	<ul style="list-style-type: none"> Don't re-enter or permit anyone to enter the building, unless the fire officials have given permission to enter.

22.0 Ragging / Women Grievance Redressal Cell / Sexual Harassment Internal Complaints Committee / Student Grievance Redressal Cell – Ombudsman

22.1 **Ragging:** Ragging of fellow students in any form is strictly prohibited inside and outside the campus. Any student/s found guilty of ragging and/or abetting ragging, whether actively or passively, or being a part of a conspiracy to promote ragging, is liable to be punished as per the rules. Ragging often ends up in sexual or physical harassment for the victim. The institute maintains a zero tolerance policy towards ragging. All issues in this regard will be dealt with utmost urgency and stringent action will be taken against those involved. To help students, Committees have been formed at School level and University level.

Balwant Sheth School of Architecture

Message from Dean

Dean Student,

The Balwant Sheth School of Architecture started with the conviction to create a process-driven system rather than a product-driven system. While the product may keep changing, a good process never changes, but evolves with time.

Our first results of this approach, batches of 2012, 13, 14 & 15 graduated last four years and have been well received in a variety of domains, be it large city, urban architecture firms or younger firms involved in experimental design projects that span between built and virtual realms.

Encouraged with this approach and direction, three more programmes under the SVKM- NMIMS brand name are on the drawing board in the near future;

-M. Arch: Master of Architecture: A two year Masters Degree Program recognized by Council of Architecture.

-Ma CT: Master in City and Technology: A two year Masters Degree Program recognized by EUHEA (European Union Higher Education Area) offered by IAAC Barcelona in collaboration with NMIMS.

-School of Design: A multidisciplinary Design School

We've laid great emphasis on the Design, Research and Publication (DRP Cell) , wherein all the students' works, the frequent offsite studios, analysis and inferences are documented and preserved. Through the DRP, the faculty encourages students' active participation in serious national and international level Design and Concept competitions. The Cell is already reaping its fruits. Exhibiting Mumbai urbanism in Barcelona International Seminar, National Housing concept wins to the most recent one that comes to mind is BSSA's prominent presence at the Kala Ghoda Arts Festival. We've also won two first place finishes in national sustainability programs. Columbia University Masters Class conducted a joint City Installation with BSSA recently.

The DRP Cell is every student and professor's platform to promote concepts and to engage with their students on several levels.

With Experience, we are enlarging academic platforms in Design, Technology, Humanities, Transient Urbanism and sustainable strategies.

I'd like to conclude with hopes for a Bright and Proactive Future for Design Professionals...

For generations, we've constantly been told what not to do....and, in the process, lost sight of what we can do. This is especially alarming since the younger generation is being dragged into negative issues that should not concern them. Youth, fortunately, is self-motivated and have an incredible sense of positive direction. We must encourage this positivity.

History is an ever evolving Process....and Solution to Future Lies in History.

Prof. Trilochan Chhaya

2.0 Degree Course of Architecture:

2.1 Structure of Years and Semester:

The Degree course shall be termed Bachelor of Architecture (**B.Arch**). The course leading to the degree of Bachelor of Architecture shall be a five year course based on yearly pattern. Each year will have semester system, i.e.

- 1st year shall have Semesters I & II
- 2nd year shall have Semesters III & IV
- 3rd year shall have Semesters V & VI
- 4th year shall have Semesters VII & VIII
- 5th year shall have Semesters IX & X

2.2 Structure of Course and subjects:

The course comprises of following categories of syllabus:

- Architecture Design
- Design & Technology
- Theory
- Design –Workshops 1st and 2nd year
- Study Tour- Documentations and Exhibitions for all years

2.3 Academic Stages:

The Academic Course will have two stages as follows:

Stage-I:

- The First Year Examination in architecture will be called the FIRST YEAR EXAMINATION IN ARCHITECTURE.
- The Second Year Examination in architecture will be called the SECOND YEAR EXAMINATION IN ARCHITECTURE.
- The Third Year Examination in architecture will be called the THIRD YEAR EXAMINATION IN ARCHITECTURE.

The first stage mentioned above must be completed within five years of taking admission to the Bachelor of Architecture course. A student failing the requirement will be debarred from the Bachelor of Architecture course.

Stage-II:

- The Fourth Year Examination in architecture will be called the FOURTH YEAR EXAMINATION IN ARCHITECTURE.
- The Fifth Year Examination in architecture will be called the FIFTH YEAR EXAMINATION IN ARCHITECTURE.

The second stage mentioned above must be completed within three years of entering the fourth year of the Bachelor of Architecture course. A student failing the requirement will be debarred from the Bachelor of Architecture course.

2.4 Degree certificate:

In order to receive the Degree Certificate, the student will have to pass in all the examination of all the years. The Degree of Bachelor of Architecture will be conferred upon the candidate who has passed in all Internal Continuous Assessments and all Term End Examinations in all subjects, as per the school's passing criteria and in accordance to the provisions relating to each year's examinations. This includes Professional training of 100 days, duly certified by the concerned Architect and his firm.

2.5 Duration of Academic year:

The Academic year for 2nd to 5th year will start in month of June, date as declared by the school at the beginning of the previous academic year.

The Academic year for 1st year will start in month of July, date as declared by the school at the beginning of the Academic year.

All year end final (TEE) exams would be concluded between 1st to 4th weeks of April. The school will be closing on 30th April. During this time, all students' attendance is compulsory. All pending documentations, Exhibitions will be completed by the students.

**3.0 Examination Guidelines regarding passing Bachelor of Architecture from Balwant Sheth School of Architecture (Internal Continuous Assessment / Term End Examination, Passing Criteria, Grading system, method of calculation of CGPA, Re-Examination, exceptional cases – medical etc.)
In continuation to the Examination Guidelines explained at Sl. No. 6 in Part I of this SRB:**

3.1 Passing Criteria: (General)

- 3.1.1** A student who has passed in all the subjects (as per the criteria laid down herein under) of Semester I and Semester II examinations of the first year of the programme will be promoted to the second year of the concerned programme. Likewise, a student who has passed in all the subjects of Semester III and Semester IV examinations of the second year will be promoted to the third year of the concerned programme and so on.
- 3.1.2** A student who fails to pass in one or more subjects in Semester I will be "Allowed to Keep Terms" (ATKT) and will be permitted to attend lectures and appear at Semester-end examinations of Semester II. This means that students will be allowed to keep terms for the second Semester during the first year of the programme, irrespective of failures in any number of subjects of the first semester of that year of the programme.
- 3.1.3** Such students who fail to pass in one or more subjects of the first and second semesters of that year will be allowed to appear at only one re-examination in all the 'failed subjects' of both the Semesters. The said re-examination will normally commence after the closure of the Semester II examination. In such case their marks in the Internal Continuous Assessment will be carried forward and shall be added to the marks obtained by them at the re-examination in that subject. This re-examination shall be held for the particular academic year and shall be held before the start of the next academic year.
- 3.1.4** Students who remain absent for regular examination / re-examination will be treated as failed in that subject in which they have remained absent and hence they will have to take re-admission for the respective year of the programme in which they have failed.
- 3.1.5** The student shall be required to apply and pay the prescribed fees/charges for each subject of the re-examination before the commencement of the re-examination failing which the students will not be allowed to appear at the re-examination.

3.1.6 In case a student fails to pass in any one or more subject/s of any of the two Semesters of the particular academic year even after the re-examination, he/ she shall be deemed to have failed in that year of the programme. He/ she will then be required to seek re-admission, as a regular student for the year concerned of the program in which he/ she has been declared failed. He/ she will also be required to pay the prescribed /charges at the time of seeking re-admission in the program concerned as per the rules prescribed by the University for the same from time to time.

3.1.7 The same criteria regarding re-examinations as mentioned above shall be applied to Semester III and Semester IV of the second year, Semester V and Semester VI of the third year, Semester VII and Semester VIII of the fourth year and Semester IX and Semester X of the fifth year of the programme and also for admission to the third, fourth and fifth year of the programme.

3.2 Passing Criteria: (For each Subject)

3.2.1 Internal Continuous Assessment (ICA):

A student must secure in every subject a minimum of 45% of the total maximum marks allotted to the internal continuous assessment of each subject, in order to be declared as successful in every subject, of each of the semesters.

3.2.2 Semester-End Examination (SEE):

A student must secure in every subject a minimum of 45% of the total maximum marks allotted to the semester-end examination of each subject, in order to be declared as successful in every subject, of each of the semesters.

In addition to the above passing criteria for each subject, a student should fulfill the following passing criterion also to be declared as having passed the semester concerned.

A student must secure a minimum of 50% of aggregate marks out of the total marks for each semester.

In case a subject has evaluation component of only Semester End Examination or Internal Continuous Assessment, then in such case, the passing for such a subject shall be 50 % of the total marks allocated to that subject. If a student fails to pass in any of such subjects s/he will have to appear for re-examination (in case of semester-end examination) which will be conducted at the end of the academic year and before next academic year begins / improve the internal assessment marks (before commencement of the relevant semester-end examination).

3.3 Non-fulfillment of Passing Criteria:

3.3.1 Applicable for the subjects which do not have written examination:

- If a student gets less than the prescribed 45% marks allotted to the internal continuous assessment in a particular subject, such a student will be declared 'failed' in that subject in that academic year and therefore, will have to seek readmission in that year of the programme in the following year. A failure in the Internal Continuous Assessment will imply that the student/s will not be allowed to keep terms in the next Semester, and will be required to seek re-admission in the next academic year for the same year of the programme concerned.
- In case a student obtains at least 45% marks of the total marks allotted to the internal continuous assessment in a subject in the Internal Continuous Assessment, but fails to obtain minimum prescribed marks (i.e. 45%) in the Semester-end examination of that subject **or** fails to obtain at least 45% marks out of aggregate marks for the subject, then in both such circumstances, he will be required to appear at the re-examination which will be held at the end of the related academic year and in such case his/her marks in the Internal Continuous Assessment will be carried forward and shall be added to the marks obtained by him/her at the re-examination in that subject. However, such a student will be allowed to improve his term work as per the suggestions made by the examiner in the subject during the previous examination. He should carry out the improvement in his work after declaration of the result of the related semester examination but before the commencement of the re-examination of the said semester.

3.3.2 Applicable for the subjects which have written examination:

- If a student gets less than the prescribed 45% marks allotted to the internal continuous assessment in a particular subject, such a student will be given only one and final chance to improve his/ her performance to secure the necessary prescribed minimum marks in the Internal Continuous Assessment (ICA) by way of re-doing all the required projects/ assignments, etc. for the said subject of that Semester as decided by the respective subject-teacher/s, **before the given Semester-end examination of that semester.** The modalities of the Internal Continuous Assessment shall be jointly decided by the subject teacher and the Dean/ In-

charge of the School. **It is the sole responsibility of the student to comply with the above mentioned requirement before the end of each respective Semester.** If s/he fails to do so, s/he shall be declared failed in that subject in that academic year and therefore, will have to seek readmission in that year or quit the programme. A failure in the Internal Continuous Assessment after the said chance for improvement in the internal continuous assessment will imply that the student/s will not be allowed to keep terms in the next Semester, and will be required to seek re-admission in the next academic year for the same year of the programme concerned.

- In case a student obtains at least 45% marks of the total marks allotted to the internal continuous assessment in a subject in the Internal Continuous Assessment, but fails to obtain minimum prescribed marks (i.e. 45%) in the Semester-end examination of that subject **or** fails to obtain at least 45% marks out of aggregate marks for the subject, then in both such circumstances, he will be required to appear at the re-examination which will be held at the end of the related academic year and in such case his/her marks in the Internal Continuous Assessment will be carried forward and shall be added to the marks obtained by him/her at the re-examination in that subject.

3.3.3 In case a student **fails to obtain a minimum of 50% of aggregate marks out of the total marks for each semester as stated above**, then in such circumstances, he/ she will be required to appear at **the re-examination of all the subjects** which will be held at the end of the related academic year and in such case his/her marks in the Internal Continuous Assessment will be carried forward and shall be added to the marks obtained by him/her at the re-examination in that subject. This will be his/ her final chance. In case, a student fails to obtain a minimum of 50% of aggregate marks out of the total marks for each semester even after the said re-examination, such a student will have to take re admission in the next academic year for the same year of the programme.

3.3.4 If a student has failed under any head in any subject (i.e. 'Internal Continuous Assessment' or 'Semester-End Examination' or 'aggregate'), he/ she shall be deemed to have failed in that subject.

3.3.5 A student who remains absent at semester-end examination/s or re-examination/s due to any reason in any subject shall be awarded 'F' grade in the subject/s in which he/ she has remained absent. All such students will be required to appear at the re-examination of the said subject which will be conducted at the end of the academic year but before the beginning of the next academic year. All students who fail to pass any subject even after the said re-examination will be required to take re-admission in the same year of the programme in which s/he has failed.

3.3.6 In order to receive the degree, the student will have to pass in all the examinations of all the subjects of all the years and also fulfill the criterion of securing 50% of the aggregate of marks for all semesters.

3.4 Duration and Stages of the Bachelor of Architecture (B. Arch.) Programme:

The Bachelor of Architecture programme shall be of minimum duration of 5 academic years i.e. 10 semesters. The Bachelor of Architecture programme shall comprise two stages:

Stage I: The first 3 years (6 semesters) shall be the first stage of the programme. The first stage should be completed within a period of maximum 5 years from the date of admission to the programme, failing which, **the student will be debarred from the Bachelor of Architecture course.**

Stage II: The second stage of the programme shall be 2 academic years (4 semesters). The second stage should be completed within a period of maximum 3 years only after the completion of Stage I of the programme, failing which, **the student will be debarred from the Bachelor of Architecture course.**

In order to obtain the B. Arch. Degree, a student has to successfully complete both the stages as mentioned above.

3.5 Non-completion of assignments for Internal Continuous Assessment:

A student shall be permitted to appear for the Semester-end examination provided he/she has submitted all the projects/assignments etc. required for internal assessment of that subject within the stipulated time and has passed the Internal Continuous Assessment according to the passing criteria as stated above. In case, he/she fails to submit the same before the stipulated time, and he/she fails in the Internal Continuous Assessment, he/she will not be allowed to appear for the Semester-end examination and will be declared failed. The term of such student will, therefore, not be granted and s/he will then have to seek readmission in that year or quit the programme.

Note: The above rules of Passing Standards will be applicable to all the Years and Batches of Balwant Sheth School of Architecture.

3.6 Evaluation and Grades:

The objective system of assigning the Grades to each subject would be based on relative performance of students in the Division/ batch. The relative grading system will be followed for the same.

Balwant Sheth School of Architecture of NMIMS follows the following 'letter grades' and corresponding 'grade points' system:

Grade	Grade Point
A+	4.00
A	3.75
A-	3.50
B+	3.25
B	3.00
B-	2.75
C+	2.50
C	2.25
C-	2.00
F	0.00

3.7 Method of calculation of letter grades and GPA/ CGPA:

3.7.1 For the calculation of grades for each course / subject, following guidelines are observed:

- Highest marks scored by student/s for course / subject will be taken into account for the batch/ group (in case of electives).
- Difference between the maximum marks and pass marks would be calculated.
- The said difference will be equally divided into slabs of nine letter grades (i.e. A+, A, and A-, B+, B and B-and C+, C and C-).
- Grading will be done on the basis of marks obtained by a student in each course / subject which will be fitted into the above slabs of letter grades.
- 'F' grade will be assigned to students:
 - who have obtained less than 50% marks out of the total marks for each semester
 - .who have obtained less than 45% marks out of the maximum marks allocated to the respective subject for the term end examination.
 - who have obtained less than 45%marks out of the maximum marks allocated to the respective subject for the internal continuous assessment.

3.7.2 Calculation of GPA (Grade Point Average):

Grade Point Average for a term will be computed by dividing, the sum of product of grade point of each course / module and credit value assigned, to each respective course by the sum of credits assigned to all the courses / modules for the related term.

$$\text{GPA} = \frac{\sum CG}{\sum C}$$

3.7.3 Calculation of CGPA (Cumulative Grade Point Average):

Cumulative Grade Point Average upto and including a term will be computed by dividing the sum of product of grade point of each course / module and credit value assigned to each respective course by the sum of credits assigned to all the courses / modules up to and including the related term.

Here: C = Credit value assigned to a course / module

G = Grade point value assigned to a student for course / module corresponding to the letter grade (refer table given at 3.6)

GPA = Grade Point Average shall be calculated for individual term.

CGPA = Cumulative Grade Point Average shall be calculated up to and including each term till date.

Important: Formats of all kind of application forms related to examination can be directly downloaded from the link mentioned below. However, few important forms have been annexed to this book, in addition.

4 Programme Guidelines: Bachelor of Architecture

4.1 In continuation to the components of evaluation explained at 4.2 of Academic guidelines in Part I of this SRB, the under-mentioned component will also be considered for evaluation:

‘Evaluation of concepts through communication with the help of 2-dimensional /3-dimensional visualization at group and individual level.’

1-4 components from all aforesaid will be applicable for evaluation as per the specific nature of the subject. (In continuation of the requirement of No. of evaluation component mentioned at Sl. No. 4.3 in Part I of this SRB).

4.2 Minimum No. of students required to offer an Elective course in any semester of B.Arch. is 10.

4.3 Duration of term end written examination (In continuation with the duration of examination explained at 4.6 in Part I of this SRB) at Balwant Sheth School of Architecture may vary from 1 hr to 3 hrs depending upon the subjects and its associated weightage. The same shall be mentioned in the term end examination schedule / time table.

5. Brief description of the subjects listed in the First Stage of the Course: (In continuation to 4.13 of Academic guidelines in Part I of this SRB)

5.1 Architectural design:

Applying the knowledge gained in other subjects and theory of design methodology to design of building of medium complexity e.g. Residences, Schools, Colleges, Public Buildings, Dispensaries, Hospitals, Shops, Offices, Industries, Buildings for Recreation and Entertainment, etc., and present them in graphic form using both manual and electronic medium.

5.2 Architectural graphics skills – manual and computer:

Ability to present in graphic form all elements of building design – study of shades and shadows, textures, tones, colors, geometrical form, perspectives and projections, free hand drawing and rendering in different media, computer aided drafting skills in 2D and 3D, use of rendering, presentation and modeling software packages.

5.3 Building construction technology:

Knowledge of various structural systems and methods of construction and detailing of buildings of medium complexity using natural and manmade materials including foundation, walls, roofs, staircase, joinery and finishes, culminating in the capacity to integrate the knowledge acquired to architectural design exercise for making working drawings for a three storied contemporary building and learning the skills of presenting these in the graphic form using both manual and electronic medium.

5.4 Structural design and systems:

Understanding the structural concepts and behavior of structural elements, simple calculations for columns, beams, frames, footings, slabs, walls in concrete, steel and timber and relating the knowledge acquired to architectural design.

5.5 Basic design and visual arts:

Developing skills in manual presentation techniques, use of various media for presentation, principles of two dimensional and three dimensional compositions, principles of design etc.

5.6 History of architecture, art and culture:

Study of evolution of various styles of architecture and methods of construction and influence of art and culture on architecture through the ages in the world, with emphasis on architecture of the Indian Sub-continent and the region in which the institution is located, study of Indian culture related to architectural design.

5.7 Building services and equipments:

Study of and design and detailing for water supply, drainage, sewage disposal, garbage disposal, electrification, illumination, air conditioning, fire hazard protection, acoustical treatment, rainwater harvesting etc. in buildings and building premises, disaster management systems, intelligent energy conservation systems, electronic security and surveillance systems for buildings.

5.8 Workshop practice and site exposure:

Developing skills to make building models with various materials such as card-board, wood, plastics, plaster of Paris and metals, ability to make simple joints in timber, pipes and other materials, basic electrical circuits. Exposure to building construction practices on site of various items of work from foundation to roof and finishes, Market survey for different building materials.

5.9 Building materials and sciences:

Knowledge of properties and behavior of both natural and manmade building materials such as bricks, stones, metals, timber, steel and finishing materials in contemporary building. Effects of sun, rain, wind and other climatic and environmental conditions on various building materials and built environment and the science of design for creating effective human comfort conditions.

5.10 Surveying and leveling:

Understanding of various survey and leveling instruments, carrying out surveys of land of medium complexity and preparation of survey plans.

5.11 Estimation, costing and specifications writing:

Systems of taking out quantities and estimating for all trades involved in construction of medium complexity, writing specifications for materials and various items of work.

5.12 Climatology, environmental studies and landscape:

Understanding of Climate and its impact on architectural design, fundamentals of climatology and environmental studies. Understanding of Landscape elements like trees, shrubs, plants, water, rocks and development of landscape planning and application in architectural design.

5.13 Humanities:

Study of sociology, economics and culture, as applicable for design of human settlements.

5.14 Human settlements and vernacular architecture:

Man and Environment: Biological and behavioral responses to human settlements; Design for living, natural and built-environment, Vernacular architecture.

Human settlements during ancient, medieval and modern periods in India. Europe and other parts of the world. Ancient texts and treatises on settlement and area planning in India, characteristics of human settlements built by Muslims and Hindu rulers in India.

5.15 Theory of design:

Understanding and appreciation of principles and percept's of issues related to architectural design in theory and practice. Appreciation of architectural spaces with respects to man and his behavior.

5.16 Computer applications in architecture (Non Graphic):

Developing skills in non-graphics applications of computer as required for architectural profession and office management, such as word processing, spreadsheets, power point presentations, databases, etc.

5.17 Working Drawings (part 1):

This comprises of detailed drawings which are based on Tender drawings. These drawing have to have all dimensions required for Execution. Working drawing are also prepared in coordination with Structural and Services drawings. They also need to be coordinated with specialized vendors' drawings such as sky lights, Roofing systems, Structural glazing etc.

5.18 Group subjects of specialization:

The names and topics for elective are suggestive. BSSA may add many more elective and alter the list as per local requirements and resources. For Non-specialization the subjects could be mix from groups below as offered by institute to suite its philosophy.

5.18.1 Interior architecture:

- Theory of Interior Design
- Visual Arts
- Advance basic design
- Vernacular Interiors
- Traditional Crafts
- Contemporary Crafts
- Furniture design

5.18.2 Eco architecture:

- Horticulture
- Soil Studies
- Theory of Landscape Design
- Landscape Construction
- Street Furniture Design
- Ecology
- Plant Morphology

5.18.3 Construction technology:

- Advance workshop
- Basics of Management
- Site Management
- Advance Surveying and leveling
- PERT / CPM Techniques
- Low cost materials
- Design of Services
- Basic Accounting

6 Brief Description of the Subjects Listed in the Second Stage of the Course:

6.1 Project (Thesis):

A major project selected by the students in the area of their interest and attempted after detailed analytical study of the chosen topics/subject. The project is to be done under faculty guidance and presented in a graphic form, model,

computer generated graphics and report. In this project the student is expected to individually synthesize all that is learnt in the previous semesters, conduct investigative research through library and other resources, co-ordinate all pertinent architectural issues with the design concept and objectives to reach a viable solution for the resolution of the selected problem. Thesis may also be on theme-based research on architectural projects involving collection and analysis of relevant data presented as an analytical study report.

6.2 Architectural design:

Design of complex buildings and campus involving analytical studies of building and spaces from sociological, economic and cultural points of view. The topics can be universities, industrial estates, housing schemes etc.

6.3 Building construction and materials:

Study of advanced building construction methods and innovative architectural detailing with new materials such as plastics, metals, synthetic boards, glass, composite panels etc.

6.4 Advanced services:

Study of advanced building services like HVAC, Water supply and disposal, Electrical, Acoustical, and Lighting related to complex building situations like high-rise, Complexes, Cities etc.

6.5 Advanced structural design and systems:

Design of complex building structures like domes, shells, retaining walls etc. Study of structural systems like Bulk active structures, Form active structures, Vector active structures, Surface active structures, Cable structures, Arches, Vaults and Domes, Shells, Membranes structures, Pneumatic structures, Folded plates, Pre stressed concrete, Space frames etc.

6.6 Professional practice:

Study of Office practice, Office administration, Accounting, Building Bye-laws, Tendering, Contracts and Arbitration, Valuation, professional conduct and ethics, Architects Act 1972, Role of COA, IIA and UIA, implementing a building contract.

6.7 Research skills and project introduction:

Research in Architecture, Scientific methods with special emphasis on Architectural research, presentation methodologies, Evaluation, report writing. Introduction to the Architectural Thesis Project and preparation of synopsis.

6.8 Building bye laws and codes of practices:

Study of building controls standards, bye laws and codes of practices prevalent in different development authorities and municipalities in India.

6.9 Working Drawings (part 2):

Advanced stage of details like finishes, flooring patterns, furniture layouts, false ceiling, etc.

6.10 Professional Training:

Minimum of 14-15 weeks.

6.11 Electives:

6.11.1 Housing:

Housing survey and methodologies. Factors effecting housings. Housing Demand, Policies, Slums, Typologies, Finance, Agencies etc. Housing case studies. Post Occupancy Evaluation.

6.11.2 Urban design:

Historicity, Determinants of urban form, urban Design vocabulary, Imagability concepts, Design principles, Aesthetic legislation, Case studies.

6.11.3 Interior design:

Historicity, Principles, Built-in and movable furniture, Interior fittings and furnishings, Color, form, texture and lighting in interiors, Materials used in interiors, Buildings services related to interiors.

6.11.4 Construction management:

Objectives and functions, management tools, PERT, CPM, Other scientific methods, Line of Balance, Inspection and quantity controls, Safety in construction.

6.11.5 Landscape design:

Man and nature, Ecology, Historical background, Environmental impact assessment, National environmental policy, Biodiversity, Contemporary landscape design, Site-structure relationship Case studies.

6.11.6 Urban and regional planning:

Evolution of settlement design, Classification of settlement, Planning methodologies, Contribution of

prominent planners, Urban planning policies, Urban renewal schemes and methodologies, Regional planning principles and methodologies, Constraints and factors of consideration for regional plans.

6.11.7 Architectural conservation:

History and theory of conservation, Philosophy of conservation, Values and Ethics, Cultural heritage, Conservation methods, Classifications, Management of historic sites, Studies of various charters. Role of INTACH, UNESCO, ECOMOS and other organizations.

6.11.8 Disaster management:

Study of building designs to resist. Earthquake, Fire, Flood, Cyclone, Avalanche and other natural disasters. Post disaster problem resolutions.

6.11.9 Architectural journalism:

Structure of Architectural journals, Writing descriptive and analytical reports, Editing write ups, Photo journalism, Book reviews, Page compositions, The public process. Electronic media.

6.11.10 Theatre/Film set design:

History of set and backdrop design for performance, Theme based design strategies, Period and modern sets, Technology applications.

6.11.11 Expert systems – Advanced computing:

Networking, Web design, 3-D modelling, Rendering through software, walk through.

6.11.12 Marketing skills:

Building materials market – demand and supply systems. Bulk and retail marketing, Materials promotion and survey.

6.11.13 Building systems integration:

System and Sub-systems in buildings, analysis of sub-systems and relationship and sub-system. Building systems in different building typologies, Optimizations and sub-system.

6.11.14 Visual communication:

Visual communication in architecture, built forms and environment, Way finding in architecture and spaces between built environments.

6.11.15 Sustainable architecture:

Sustainability – Principles and methods, Energy conscious design ecological balance conservation of natural resources, Solar passive architecture, re-cycling.

6.11.16 Energy conscience Architecture:

Use of energy in buildings, Conserving energy, Solar passive and solar active systems, wind energy, Biomass energy, Re-cycling.

6.11.17 Intelligent building:

Control systems for various building services, Types of controllers. Preparation of necessary drawings for installing control systems, Integrated building management system, Remote monitoring and management, Home automation, Development in service control systems.

6.11.18 Modular coordination:

Importance of modular coordination in contemporary design and construction and its application in building industry.

6.11.19 Art in Architecture:

Role of art in history of world architecture, Symbiotic relationship of art and architecture, application of different art forms in architecture. Works of different artists and architects that reflect the inter relationship.

6.11.20 Environmental studies:

Environmental factors effecting human habitat such as climate, environmental pollutions, environmental degradation, green cover etc., at the micro and macro scales.

All disciplines as stated above may not be simultaneously offered by the school and are at the discretion of the Dean.

6.12 Guidelines for conduct of Architectural Thesis/Project and Practical Training:

6.12.1 The practical training of 100 days shall be carried out in the office of an experienced architect registered with the Council of Architecture or trained professional of the relevant field in stage II.

6.12.2 The practical training shall be supervised and evaluated by the institution.

- 6.12.3 The Architectural Thesis/Project will be initiated in the Ninth semester and completed up to tenth semester.
- 6.12.4 The candidate shall submit a synopsis of the Thesis Project and the institution will approve this before the candidate is allowed to proceed with the Thesis Project.
- 6.12.5 The Architectural Thesis/Project shall be prepared under the guidance of an experienced teacher/ qualified professional.
- 6.12.6 The institution shall conduct the internal evaluation stages for the Architectural Thesis/Project with the guide as a co-assessor.
- 6.12.7 A Jury comprising of an internal and external examiner and the guide shall conduct the final examination of the Architectural Thesis/Project in the institution up to the end of the Tenth semester as a University examination.

7.0 Facilities:

All under listed facilities to be used as per rules, regulations and procedures of Balwant Sheth School of Architecture / NMIMS, issued from time to time. **Facilities made available are to be considered as privileges and not a right.**

7.1 Studios and Workshops:

Individual, internet enabled computer / laptops connected comfortable work spaces.

7.2 Lecture Hall and Audio-Visual Facilities:

Apart from Studios, AV facilities at various places on campus.

7.3 Library and resource Center:

In addition to university Library, BSSA is equipped with an extensive physical and electronic library.

7.4 Computer Lab:

All students have internet enabled individual connected computers / laptops in addition to a Comp Lab.

7.5 Workshop:

A modern workshop for wood, steel and clay is available, in addition, to the on campus sophisticated workshop of the other colleges. BSSA workshop to be used strictly under the presence and permission of In Charge workshop, Mr. Manohar Nagwekar.

7.6 Laser Cutting Machine:

The Laser cutting facility is available for the students of BSSA between 10.00 am to 5.00 pm for their model making, exhibition work etc., subject to the availability of machine operator. The machine to be used strictly under the supervision of machine operator only.

For availing laser cutting facility student has to obtain permission from concerned faculty and the Dean BSSA in prescribed format (available with BSSA office) and submit the same to the office at least one day advance.

7.7 Plotter Printing facility:

The Plotter Printing facility is available in the school for student's Submission, Examination work etc. This facility is available strictly only for the students of the school between 8.00 am to 7.00 pm subject to availability of plotter operator and also under the supervision of operator only. Without operator students are not allowed to use the plotter machine.

Students are also required to submit the quantity of Plotter rolls required for various submissions / Jury etc, duly signed by the respective faculty and the Dean, at least 07 working days in advance.

7.8 Xerox Facility for students

Xerox Machine in the library area is extended as a facility to the students. This can be used during library timings. In case of any technical breakdown students are advised to approach 9th Floor for their xeroxing work. The Machine at 9th Floor is provided by the University for all its student.

7.9 Purchases of Services / Materials for Exhibitions, Workshops and any other authorized event:

If a student requires any material for exhibition, workshop or any other authorized event, they should submit detailed list of items to be purchased, to college authority with expected budget, proper justification and approval from faculty in charge (event) & Dean.

The above requirement should be submitted as per the expected expenditure in the following brackets:

- For expenditure up to 10,000/- --to be submitted 05 working days, in advance.
- For expenditure between 10,000/- to 50,000/-- to be submitted 10 working days, in advance.

- For expenditure above 50,000/- -to be submitted 01 Month, in advance.

Students are not to indulge in direct purchases and afterwards applying for reimbursement of the same.

7.10 **Medical Facility:**

Shri Vile Parle Kelavani Mandal” runs a dispensary which operates from 9:00 am to 6:00 pm at 2nd Floor, NM College building. It is manned by two fully qualified Medical Officers in two shifts during working days. Services of dispensary are available for attending to all emergency first aid and for OPD. Students can avail this facility for their medical and health requirements including periodic health check-ups and treatment / hospitalization in case of medical emergencies.

8.0 **General Discipline and additional guidelines of BSSA:**

8.1 **Submission of Leave Application for Absence due to Medical Reasons:**

Students are required to submit their medical leave application duly signed by their parents along with Medical Certificate for the days of medical absence within 02 working days after joining back the school post their absence due to medical reasons. Those staying in hostel can submit the same signed by their guardians. Application submitted after the above mentioned period will not be considered.

Students are advised to obtain acknowledgment of submission of such applications for future reference.

8.2 **Extended Hours of Work in School:**

- 8.2.1 Dean's permission in writing is required for extended hours of work for normal and Holidays.
- 8.2.2 Permission Request containing list of students, reason for extended hours should be submitted to the Dean before 3.00 pm, (latest) on the day. All such requests should be recommended by the concerned faculty of the respective subject before seeking Dean's approval.
- 8.2.3 For Extended Hours, Minimum number of students in One Studio or Work place shall be Seven throughout the extended time. As far as possible, smaller groups should accumulate in one place and work. The students can decide to work in any place except the Library. From Each Group, One Student must take responsibility during the extended hours.

8.3 **Consumptions of eatables in classrooms:**

Consumption of food, snacks, beverages & any kind of eatables (except bottled water) in the classrooms are strictly prohibited. Students have to ensure that they do not leave eatables, left outs, used glasses / plates, food packages, etc in the classrooms. These are to be disposed in the dustbin provided in the corridor for the purpose and keep the classrooms in hygienic condition.

8.4 **Rules regarding using of Desktops and Laptops:**

BSSA, as a policy has included computer aided education in architecture. Dedicated Computers systems / laptops are provided to all the students which are equipped with net connectivity and required software for architecture education. For upkeep and maintenance an engineer is appointed.

However, apart from the guidelines for using computer facilities mentioned in Part I of this SRB, following are to be ensured by each student:

- 8.4.1 Students will ensure that the computers / Laptops / Scanner / Printer / other IT infrastructure (Including accessories) allotted to each student or to the class collectively are not damaged.
- 8.4.2 All software runs smoothly.
- 8.4.3 No entertainment software including movie, games etc are either downloaded or stored on hard disk.
- 8.4.4 Users are responsible for saving their documents/ data on their personal storage device, school shall not be responsible for loss of data due to technical or any other reason.
- 8.4.5 Students should not alter programs or operating systems, change any control panel settings, and write virus programs. No password to be set by the students.
- 8.4.6 Student must inspect their computers at the beginning of class to see that they are in proper working order. Student should notify the Admin Staff immediately of any problems with equipment or software.
- 8.4.7 Student should also make sure their work area is clean and all materials have been returned to their proper place before leaving the Studio. Laptop/Desktop should be shut down and PUT OFF by every student before leaving the school.
- 8.4.8 Computers / Laptops and net connectivity are used only for education purpose.
- 8.4.9 Students will bear the cost of repairs / replacement for careless usages, damages arising due to their neglect or willful act. In case of loss of any computer peripherals the respective student will be held responsible.

- 8.4.10 Students to maintain the computers / Laptops / Scanners / Printers / IT Infrastructure with sensitivity.
- 8.4.11 Students are strictly not allowed to carry school provided laptops or any other IT product outside the BSSA premises or with themselves.
- 8.4.12 Actions as per the rules will be taken against the student found violating the above rules.

8.5 Attendance Deficiency

- 8.5.1 Students are not entitled automatically to make up tests / quizzes / vivas and any other form of evaluation when prior authorization has been obtained for absence from the class. In case of group discussion / presentations, students will not be allowed any marks for absence during the presentations / discussion even if the student has been granted authorized leave during the same.
- 8.5.2 Absence from Term end examination/ re-examination for medical or any other reason shall be treated as failure.
- 8.5.3 As all courses conducted by BSSA are full time courses, students will not be granted leave and / or any other exemptions to pursue any additional course of studies beyond which they are currently enrolled at BSSA.
- 8.5.4 A student is required to monitor his / her own attendance. An updated attendance will be shared with the students via black board or notice board/ e-mail etc. on a monthly basis.
- 8.5.5 Students are required to be in Mumbai city on all days of the semester. If they are leaving the city on personal or institutional work, they are required to obtain prior permission in writing from the Dean. This applies even to those students who are representing the BSSA / University for social, cultural, and co-curricular events.
- 8.5.6 Students are required to honor deadlines for submissions of projects, reports, assignments, forms and any other submission to BSSA / university or the faculty concerned. Do not approach faculty members and others in the University to change or extend deadlines.
